INTRODUCTION

Kerala State Coir Machinery Manufacturing Company Ltd. (KSCMMC), a Government of Kerala enterprise established in 2014, is a leading manufacturer of coir-related machinery. Located in Alappuzha, the heart of Kerala's coir industry, KSCMMC specializes in innovating and producing high-quality machinery that modernizes and mechanizes coir manufacturing processes. With state-of-the-art production facilities, KSCMMC is committed to expanding its product range and contributing to various industries.

SCOPE OF EOI

KSCMMC invites expressions of interest from start-ups, private agencies, and reputed manufacturers to collaborate on the development and commercialization of innovative machinery or products with strong market demand. We are particularly interested in projects that:

- To tie up with startups and to undertake production of new products which one invented.
- Leverage KSCMMC's advanced machinery and expertise in fabrication, machining, and quality control.
- Focus on high-demand machinery or products that can cater to diverse industries.
- Integrate sustainable practices and energy-efficient solutions.
- Capable of producing products for reputed manufactures.

FACILITIES AND SUPPORT

KSCMMC offers access to its well-equipped production facilities, which include a variety of CNC machines, milling machines, drilling machines, welding machines, and quality control instruments. Our team will work closely with selected partners to ensure smooth project execution, with an emphasis on high standards of quality and innovation.
